

Hi everyone my name is Yani!

I'm a registered Vet Nurse working in the imaging department at Veterinary Specialists Aotearoa in our Christchurch branch.

Originally I grew up in the small rural town of Waihi before heading to Auckland where I acquired both my Cert. in Animal Care and my Diploma in Vet Nursing.

I've spent the last 10 years working in all aspects around a vet hospital from afterhours and emergency shifts, to being a receptionist, practice manager, GP nursing and now working in a specialist practice.

In my spare time I enjoy exploring new foods, lifting weights at the gym and I'm about to try my hand at mountain biking having just moved to Christchurch.

In 2022 I was lucky enough to get a spot in the NZVNA executive committee I'm still learning a lot but I'm excited for the opportunity to give back to my fellow nurses in so many different ways!
