

OUR VISION

Through collaboration and advocacy, we support, inspire and advance Allied Veterinary Professionals in Aotearoa New Zealand.

OUR VALUES

Compassionate, connected, future-focused, professional, and resilient

OUR FOUR PILLARS

1. Being Fully Integrated Members of the Veterinary Health Care Team
2. Improved Wellbeing/Workplace Culture/Psychological Safety
3. Professional Advancement
4. Improved Remuneration

OUR KEY STRATEGIC ISSUES AND OBJECTIVES

Members

- Objectives: Retain current, and grow new membership, through ongoing, regular, clear communications promoting value and advocacy

Education

- Objectives: Support workplaces and members to develop and upskill through the development of career pathway guidelines; Provide members with clear information on qualification changes and updates

Practices/Workplaces

- Objectives: Support workplaces to develop and progress their AVP's, collaborating with employers to future-proof sustainable workplaces

Industry Partners

- Objectives: Formalise partnerships with stakeholders to ensure sustainable revenue; Maintain professional reputation through communication and engagement with professional services

Executive Committee

- Objectives: Develop a clear governance structure, including roles and portfolios; Establish clear communication guidelines; Manage finance and risk through a Finance & Risk committee

NZVNA EXECUTIVE COMMITTEE
