## Our 2025 Plan

### Member Support

Ongoing support of members through new and existing initiatives, in collaboration with our industry partners

### Professional Advancement

Support member advancement within the profession through ongoing work with clinical competencies, and bringing new CPD opportunities to our members

### Media and Marketing

Utilise our social media platforms effectively as our main communication platform with members and industry.

### Finance and Risk

Engaging with financial advisors to ensure the sustainability of the association whilst continuing to provide value to members

### Executive Committee

Ensuring stable governance, via establishment of clear procedures and policies, and new committee member information
